PaintNite, QSP and Classroom Items

PaintNite FUNdraiser

This is a reminder that we are hosting a Millwood PaintNite Fundraiser on November 28th . This is a fun night out where you are provided with all the materials and guided through the process of creating a painting. It is amazing what even the least experienced painter can leave with. Bring a friend and enjoy 2 hours of learning and laughter, and support Millwood at the same time!
