Here's to a great year!

MEMBERSHIPS TO OFHSA

Although memberships are not required to attend or participate in Home and School, a Family membership in the Home & School is \$15. These funds are turned over to the Ontario Federation of Home & Schools, which enables us to exist as an independent parent group. The Federation, in turn, uses the funds to lobby the government and represent parents on issues pertinent to our children's education. Memberships can be purchased on-line (+\$2 processing fee) on our website <https://www.millwoodhomeandschool.com/> or in cash at a meeting. Paying your membership allows you to vote at a meeting.

Are you interested in hearing from Millwood Home and School Association? The MHSA connects with parents regarding fundraising initiatives and volunteer opportunities. If you would like to hear from us please complete the form below and return to your child's teacher by **Friday September 28, 2018** or visit www.millwoodhomeandschool.com to complete the information online.
