Principal: Nicole Lee

January 2020

Dear Reader:

The Home and School Association at Millwood Junior School (located in Markland Wood, Etobicoke) will be holding our very popular Family Fun Fair on Saturday May 9th 2020. Based on past Fun Fairs, we expect over 500 people from the Millwood community to attend throughout the day.

This important fundraising event helps to enrich learning opportunities at Millwood Junior School. All of the money raised will be used for a variety of initiatives at the school that increase student success in every classroom, such as:

- Providing materials to enhance the exploration of Science, Technology, Engineering and Math
- Enabling classes to participate in activities and workshops such as Scientist in the Classroom, X-Movement and Jungle Sports
- Purchasing specialty equipment for music programs, robotics, sports and other arts programs

We hope that you can support our school with a sponsorship, or donation of a gift certificate or merchandise. To recognize your support for our event, the Home and School Association will highlight your business to families in the Millwood Junior School and Markland Wood community. The attached flyer outlines several package options to promote your business in our community.

This event is a lot of fun for the kids and builds our school's community. We hope you can help us to make it the most successful year yet! Please feel free to contact millwoodfunfair@gmail.com if you would like additional information. A member of the Fun Fair Committee will be happy to discuss it further and answer any questions! Thank you so much for your consideration of our request.

Our students excel! Help us continue to do great things at Millwood!

Sincerely,
